Final RCRA Facility Investigation Report Addendum for SWMUs 33, 34, & 35 - Half Tanks and Settling Ponds - Volumes I and II, April 1, 2002, Burns and McDonnell.
Final Interim Remedial Action Work Plan, SWMUs 18 and 19, January 1, 2002, IT Corporation.
Final Grazing Study Report - Sunflower AAP, Volumes I and II, January 1, 2002, Burns and McDonnell.
Final Site Safety and Health Plan - Total Environmental Restoration Contract, SWMUs 2, 18, 32, 33, 34, 35, December 1, 2001, IT Corporation.
Final Remedial Action Summary Report, SWMUs 10 & 11, October 1, 2001, IT Corporation.
Remedial Action Summary Report - SWMUs 10 and 11, August 1, 2001, IT Corporation.
Final RCRA Facility Investigation Report Addendum and QCSR for SWMU 26 - Single Base Area Wastewater Settling Pumps, June 1, 2001, Burns and McDonnell.
Final RCRA Facility Investigation Report Addendum and QCSR for SWMU 30 - Pesticide Waste Handling Area, June 1, 2001, Burns and McDonnell.
Final RCRA Facility Investigation Report Addendum and QCSR for SWMUs 7, 8, and 9 - North Acid Area, June 1, 2001, Burns and McDonnell.
Final Project Closure Report for SWMU 50 Interim Removal, Volumes I & II, , March 1, 2001, Environmental Chemical Corporation.
Final Treatability Planning & Reporting Documents, SWMUs 10 & 11, February 1, 2001, IT Corporation.
Final Waste Management and Disposal Plan, SWMUs 10 & 11, February 1, 2001, IT Corporation.
Final Lead Stabilization Work Plan, SWMUs 10 & 11, February 1, 2001, IT Corporation.
Final Sampling and Analysis Plan, Volumes I & II, SWMUs 10 & 11, January 1, 2001, IT Corporation.
Final Quality Control Plan - Implementation of Corrective Measures at SWMUs 10 & 11, January 1, 2001, IT Corporation.
Final Site Safety and Health Plan, SWMUs 10 & 11, January 1, 2001, IT Corporation.
Final RCRA Facility Investigation Report Addendum and Quality Control Summary Report for SWMU 25 - Nitrocellulose Area Ditches, November 1, 2000, Burns and McDonnell.
Final RCRA Facility Investigation Report Addendum and Quality Control Summary Report for SWMUs 41 and 42 - Calcium Carbonate Cake and Temporary Sanitary Landfills, November 1, 2000, Burns and McDonnell.
Final RCRA Facility Investigation Report Addendum and Quality Control Summary Report for SWMU 45 - Building 9040 Calcium Cyanamide Conveyors and Storage Units, November 1, 2000, Burns and McDonnell.
Final RCRA Facility Investigation Report Addendum and Quality Control Summary Report for SWMU 49 - Road Just Southeast of the Sanitary Landfill, October 1, 2000, Burns and McDonnell.
Final RCRA Facility Investigation Report Addendum for SWMU 16 - Temporary Waste Storage Magazines, October 1, 2000, Burns and McDonnell.
Final RCRA Facility Investigation Report Addendum and Quality Control Summary Report for SWMU 17 - G-Line Area Ditches, October 1, 2000, Burns and McDonnell.
Final RCRA Facility Investigation Report Addendum and Quality Control Summary Report for SWMU 44 - Tank T784, June 1, 2000, Burns and McDonnell.
Final RCRA Facility Investigation Report; Addendum and Quality Control Summary Report for SWMU 20 (Ash Lagoons & Sludge Disposal Area), May 1, 2000, Burns and McDonnell.
Final RCRA Facility Investigation Report; Addendum and Quality Control Summary Report for SWMU 40 (Calcium Carbide Disposal Area), May 1, 2000, Burns and McDonnell.
Final RCRA Facility Investigation Report; Addendum and Quality Control Summary Report for SWMU 43 (Tunnel Dryers), May 1, 2000, Burns and McDonnell.
Final RCRA Facility Investigation Report; Addendum and Quality Control Summary Report for SWMU 15 (Waste Storage Magazine), April 1, 2000, Burns and McDonnell.
Final RCRA Facility Investigation Report; Addendum and Quality Control Summary Report for SWMU 46 (Decontamination Oven), April 1, 2000, Burns and McDonnell.
Final RCRA Facility Investigation Report; Addendum and Quality Control Summary Report for SWMU 39 (South Acid Area Drainage Ditch), April 1, 2000, Burns and McDonnell.
Final RCRA Facility Investigation Report Addendum and Quality Control Summary Report for SWMU 52 (Paint Bay, Bldg 542 and Tire Shop), March 1, 2000, Burns and McDonnell.

# Previous Studies

Final RCRA Facility Investigation Report Addendum and Quality Control Summary Report for SWMU 37 (Sandblast Area), March 1, 2000, Burns and McDonnell.
Final RCRA Facility Investigation Report Addendum and Quality Control Summary Report for SWMU 38 (Oil Separator), March 1, 2000, Burns and McDonnell.
Final Storm Water Pollution Prevention Plan, SWMUs 10 / 11, February 1, 2000, IT Corporation.
Final Site Safety and Health Plan, SWMUs 10 / 11, January 1, 2000, IT Corporation.
Miscellaneous - Kansas Department of Health and Environment (KDHE) Industrial Solid Waste Disposal Authorizations - Asbestos Abatement Waste Generated From Environmental Stabilization Program (ESP) II, November 5, 1999, Kansas Department of Health
Final Flocculation and Clarification Treatability Study Report - SWMUs 10 / 11, November 1, 1999, IT Corporation.
Final Stabilization Treatability Study Report, SWMUs 10 / 11, November 1, 1999, IT Corporation.
Final Contractor Workplan, Quality Control Plan Site Safety and Health Plan Addendum, SWMU 50, October 5, 1999,
Final Chemical Quality Management Plan, SWMU 50, Interim Removal, October 5, 1999, Environmental Chemical Corporation.
Draft Off-Site Well Inventory Report, August 1999, Burns and McDonnell.
